Hi Pete and Margo,

Wondering if we can schedule a quick call for tomorrow or Friday to discuss our prior request to preserve some sample material.

We are going to tweak our prior request based on findings from our lab's ongoing sample triage, and we'd like to discuss Pete's tentative schedule so we can make preliminary plans for sample hand-off. As I noted last week, we'll do whatever is easiest and most efficient for Pete. The defendants may have one or two observers present, not an entire army.

Any time tomorrow afternoon or Friday after 10 works for me.

Thank you,
Tom
